

Technical Data Sheet

ورقة البيانات الفنية

Greenest Heavy Duty Degreaser
GN-014

Technical Data Sheet

1. Product Identification

Product Code
GN-014

Brand
GREENEST

Doc Date
2026-07-06

Product Name
Greenest Heavy Duty Degreaser

Doc Version
1.1

2. Composition

Composition
Potassium hydroxide (<5%), nonionic surfactants (5-10%), chelating agents (<5%), water-soluble solvent (<5%)

Active Matter %
12 - 15 %

Technical Data Sheet

3. Physical & Chemical Properties

Appearance
Clear liquid

Color
Yellow

Odor
Citrus

pH (concentrate)
12.0 – 13.0

pH (use-dilution)
10.5 – 11.5

Density
1.05 – 1.08

Viscosity
< 100

Solubility
Complete in water

Flash Point
Not applicable

Foam Level
Medium

VOC
< 3 %

4. Surface Compatibility

Compatible Surfaces

Stainless steel, quarry tile, sealed concrete, painted metal. NOT for aluminum, galvanized metal, glass ceramic hobs

Technical Data Sheet

5. Dilution & Performance

Light Soil

1:20 (50 mL/L)

Medium Soil

1:10 (100 mL/L)

Heavy Soil

1:5 (200 mL/L)

Applications

Kitchen hoods and filters, grills, fryers exterior, kitchen floors, food-plant equipment

6. Storage & Stability

Storage Temperature

5 – 35 °C

Shelf Life

24 months

Stability

Stable. Incompatible with acids, chlorine, aluminum, zinc. Reaction with acids is exothermic.

SURFACES CARE
